Update on Capex:

The Company recently raised ~Rs. 69 Crs through QIP (Qualified Institutional Placement) to fund its Capital Expenditure. The Capex of Rs. 175 Crores is in Specialty Chemicals, Dyes & Intermediates and Organic Pigments. The work on CAPEX is progressing as per schedule and is expected to be completed in the next 12 months. The technical work for the Brownfield expansion of CPC Green by 480 TPA is almost completed and production is expected to commence next quarter.

Commenting on the Result, Mr. Munjal Jaykrishna, Joint Managing Director & CFO of AksharChem (India)

Limited said, “Our revenues in the first quarter of the current financial year has grown by 14.6%, this was mainly on account of increase in sales volumes of CPC Green. This quarter, we witnessed a significant pressure on the prices of key raw materials of Vinyl Sulphone which contributed to 67% of our revenues for the first quarter. Significant appreciation of Indian Rupee has also affected our per kg sales realisation. As a result our margins and profitability for the quarter were affected. These prices have since stabilized and expected to remain stable in the coming quarters.
